TICKET

Ticket is a gesture theater show performed by Eduard Méndez, Carles Bigorra and Gerard Domènech, under the direction of Marc Montserrat and Tricicle, keeping their artistic and aesthetic origins.

Ticket is a journey through the history of comic cinema, an action theatre piece that takes world famous comic scenes: Charles Chaplin, Marx Brothers, Buster Keaton, Laurel & Hardy, Jacques Tati, Rowan Atkinson (Mr. Bean) and Monty Python among others, and brings them to the stage in order to reinterpret them in that unique Clownic way.

Ticket is a series of exciting, raving sketches in which comic cinema and theatre melt together to accomplish just one goal: **KEEPING THE AUDIENCE LAUGHING EVERY TEN SECONDS!**

Clownic

A LAUGH EVERY 10 SECONDS

COMPANY CLOWNIC

Clownic is a humorous physical theater company. We have a career full of successes creating our own shows in the style of the company Tricicle, always with the premise of offering the public “a laugh every 10 seconds”.

We use the universal language of theater without words, which allows us to perform our shows in every corner of the planet.

For more than 18 years Clownic was the second company of Tricicle. Throughout this time we have faithfully performed the different shows of Tricicle: Manicomic, Slastic, Exit, Tricicle 20, Sit, Garrick and 100% Tricicle.

Having matured as a company, we decided to emancipate ourselves from our theatrical parents (although we still have lunch with them on Sundays). In 2011, already under the Gagman Productions label, with the collaboration of Tricicle we began a new era with our first show of our own creation and production, Ticket.

After the success and recognition achieved in Spain and internationally with Ticket, we continue our adventure with Jobs with excellent reviews. At this time we continue the world tour with our third show “Tulist (or not turist)”, with Edu Méndez, Gerard Domènech and Carles Bigorra, directed by Enric Ases. We keep on stage what the best defines us: “three actors, humor without words and laughter every 10 seconds”.
